A WORD FROM OUR WORTHY PRESIDENT

Greetings Brothers and Sisters,

I hope this note finds everyone well! Fall is in the air, so please enjoy yourself as the weather chills. By the time you receive this, hopefully you have voted. Casting your vote is vital for the welfare of everyone.

I want to give a **big shout-out to the Board of Trustees** for keeping our building, social room, and game room in top-notch condition. And please, continue to frequent our club as much as possible; your attendance matters a great deal for our continuing success.

Moving forward, I would like to focus on two major goals:

a) **Increasing membership:** Each year, every Aerie experiences "the drop." This is Eagles slang for the sharp decline in membership that occurs in June and early July when individuals do not renew. Aeries statewide lose approximately 7,000 members during this time. This is a massive loss. **I encourage all of you to invite your friends, co-workers, neighbors, and family members to join us.**

b) F**illing our committees:** Committee participation is your opportunity to share ideas to improve our club's activities and atmosphere. It doesn't require much—just 4 hours a month, either in-person or remotely. We currently need members for the following:

- Interviewing Committee
- Membership Committee
- Charity Committee
- Sick and Wellness Committee
- Trial Committee

The Sick and Wellness Committee is particularly important. Many of our senior members hold a wealth of club history that is greatly needed to keep our traditions alive, and they could really use a friendly voice. I envision creating a telephone tree or email process to check on their needs and connect them with community resources.

Your volunteer efforts are deeply needed. If you are interested, or if you are a member in need of assistance, please reach out to an Aerie Officer or myself. Thank you for your membership, and I look forward to seeing you around the club.

Best wishes,

Curtis Terry
